

Dear Peter,

I would like to thank you and your colleagues for your professionalism and great effort during our corporation in FMF 2015. Since the beginning of the event, we have received positive feedback on our booth presentation from audience and clients. I believe it will not be successful without your ceaseless support and outstanding work.

Most importantly, it was a great pleasure to work with you and therefore I will not hesitate to recommend you to my colleagues who may have other exhibitions or events coming soon.

Hope we will have opportunity to cooperate again and wish your business a prosperous future.

Best Regards,
Alisa Guo
