

Dear Peter,

Dear Vision staff,

On behalf of our whole team at MZ, I'd like to personally thank you and your colleagues for making Euromedlab 2021 in Munich a huge success once again!

The vast experience, organization, resourcefulness, and incredible dedication of everyone at VISION were irreplicable for the third consecutive time after 2017 in Athens and 2019 in Barcelona.

As common in our field, especially during in pandemic and Covid-19, challenges and shifts of plans were inevitable, but we are very pleased to have your interdisciplinary knowledge base on our side – highly valued!

Once again, I highly appreciate the work flow together with your kindness during the whole congress, as well as during the preparation time, you really are a great company to work with.

Looking forward in working once again with you the years to come, and bravo once again to you and your team.

Best regards
