Letter of reference – EuroMedLab ROMA 2023

Dear Peter,

On behalf of ARKRAY and members in the European region, I would like to take this opportunity to express our gratitude to VISION LTD., for the invaluable contribution to our recent exhibition at EuroMedLab ROMA 2023.

The booth created by VISION LTD. was a great addition to the event and helped us to convey our brand image and message clearly to the visitors of our booth. Your attention to detail and dedication to the project was impressive, and we appreciate your flexibility when we requested changes to be made.

Best regards,
