LETTER OF PERFORMANCE

Brussels, 14 April 2014

In the frame of the Contract Number 30-CE-0624991/00-56 for provision of professional conference and exhibition support services for the annual Future Internet Assembly (FIA), which took place 17-20 March 2014 in Athens, Greece, VISION ADVERTISING LTD has fulfilled its contractual obligations. VISION has devoted an excellent level of consideration to meeting the exhibition requirements and delivered the expected quality services within the required deadlines.

Yours sincerely,

Bernard Barani

Deputy Head of Unit Network Technologies
