### **Letter of reference - EUSOBI Annual Scientific Meeting 2018**

Dear Peter,  
Dear Chrisoula,

On behalf of my whole team, I herewith want to thank you and your colleagues for your excellent work and professionalism. Your invaluable contribution has helped to make the EUSOBI 2018 a huge success.

As you know, it was our first time working with a full service exhibit company, and it was the best decision we could make. In cooperation with Vision, our industry exhibition has become a professional show. Not only the excellent quality of customised items and the support you were offering to our sponsors and ourselves, but also the numerous solutions for our last minute requests makes you the perfect partner. I highly appreciated the easy workflow together with your kindness during the whole congress and the preparation time before. I could not have imagined any better support!

I really hope to work with you again in the near future!  
Wishing you all the best & Greetings from Vienna.

Best regards,

**Katharina Kienmeyer**  
**EUSOBI Managing Officer**
