Letter of reference - IFCC 2017

Dear Peter,

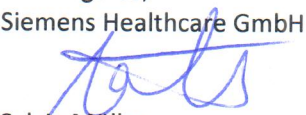

On behalf of our whole team I'd like to thank you and your colleagues for making our participation at IFCC 2017 a huge success.

You are for sure one of the most professional companies we have worked with. All our requests, from which I am well aware many came on very short notice, you managed with the biggest amount of kindness while delivering perfect products and solutions at the same time. Could not have imagined support to be any better and appreciate your wonderful patience in working with us.

I hope I get the chance to work with you again on another congress some day!

My best greetings to Athens, enjoy summer and see you soon.

Best regards,
Siemens Healthcare GmbH
